### **Australia - Brisbane Powerhouse: The art within**

Brisbane Powerhouse is a contemporary performing and visual arts, dining and conference venue nestled on the beautiful banks of Brisbane River beside New Farm Park, Brisbane, Queensland. Built in stages between 1928 and 1940 on the eastern riverside point of what is now New Farm Park, the New Farm Powerhouse used to supply electricity for the largest tram network in the southern hemisphere...

### **Austria: Sparkles at Swarovski Crystal Worlds**

The sister companies Hess and Griven worked in perfect synergy to provide functional and decorative illumination to Austria's most visited and impressive attraction site. The Swarovski Crystal Worlds opened its doors in 1995 on the occasion of the 100th

anniversary of the Tyrolean family company Swarovski. At the centre of this world of adventure is crystal as a raw material, with which...
