Vietnam - New charm for Muong Thanh Saigon Hotel

Reflecting architectural features inherited by different ethnic, cultural and political groups ever since its foundation, Ho Chi Minh City is nowadays a bustling city of commerce and culture that has driven the country forward with its pulsating energy. Timeless alleys, ancient pagodas, and incense-infused temples are a perfect background to modern malls, sleek 21st century skyscrapers, crazy traffic...

Australia - Lighting enhancements for better enjoyment

Included as part of the Yeppoon Foreshore and Town Centre Revitalisation Project, Yeppoon's beach amphitheatre stage roof has recently been completed in order to revitalize existing public spaces while creating tourism, recreation and commercial land opportunities within the Yeppoon Foreshore and Town Centre precinct. One of the primary hubs for a diverse range of major festivals and...
